### **DETAILED ACTION**

1. Applicants' Amendment filed September 23, 2003 has been entered. Claim 1 has been canceled. Claim 2 has been amended to include the limitations of claim 1.

#### ***Allowable Subject Matter***

2. Claims 2 – 27 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior arts teach a semiconductor memory device comprising:  
a test means for performing a test operation for an alternative one of row and column...;  
a repair analysis means for performing a repair analysis in which failed-address data of defective cells are rearranged with including moving and exchanging between the failed-address data in a unit of row and column.

The prior arts however fail to show the repair analysis means including:  
a temporary buffer having a plurality of temporary buffers for storing the failed-address data for the defective cells;  
a data buffer receiving the failed-address data stored in one of the temporary buffers;  
a storage means receiving the failed-address data from the data buffer and for rearranging a structure of the failed-address data; and  
a controller for controlling operations of the temporary buffer unit, the data buffer and the data storage means.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
